**\*Note:** Current period consolidated results reflect the impact of an acquisition completed in the last 12 months and whereas the corresponding period figures are standalone.

## Management Perspective

### **Mr. Ramji Shrinarayan Pandey, Managing Director stated on their H1 FY26 financial performance**

*"FY26 has commenced on a strong footing for Sonu Infratech, supported by consistent execution and operational efficiency. During the first half, revenue grew by 59% YoY to ₹71.94 crore, while EBITDA increased by 71% to ₹13.48 crore, with margins expanding by 131 bps to 18.73%. PAT rose by 68% to ₹5.46 crore, reflecting our focus on profitability and disciplined project management.*

*The Board has also approved the formation of a committee to oversee and guide the Company's migration from **NSE Emerge to the Main Board**. This marks a key milestone in our growth journey, aimed at enhancing market visibility, broadening our investor base, and creating long-term value for shareholders.*

*With a strong order book, robust execution capabilities, and a continued focus on cost optimization and timely delivery, we remain confident of sustaining our growth trajectory and achieving new milestones in building a stronger and more resilient Sonu Infratech."*

*\*Note: Current period consolidated results reflect the impact of an acquisition completed in the last 12 months and whereas the corresponding period figures are standalone.*

## About Sonu Infratech Limited

**Sonu Infratech Limited** operates in the fields of civil construction, structural painting, mechanical scaffolding, and project management. Its scope of work includes government infrastructure projects, road and highway construction, industrial projects such as refineries, as well as electrical and mechanical maintenance. The company also undertakes building construction, renovation, restoration, and specialized construction work across Gujarat and other states.

The company holds government approvals and is registered under Class B with the Military Engineer Services (Defense) for building and road projects. It executes turnkey civil and structural assignments with the support of a skilled and technically equipped team. Project management practices include the use of updated technologies for effective control over cost, time, and resource allocation.

In FY25, the company's total revenue stood at approximately ₹149.46 crore, EBITDA at ₹21.45 crore with an EBITDA margin of 14%, and PAT at ₹9.88 crore with a PAT margin of 7%.
